Qatar has signed until 2016 and it is not hard to see why. The first night race in 2008 was spectacular, with the added benefit of being able to really pack in the weekend with dune bashing, Dhow cruising, and some of the best shopping on the planet! You must come to this one once. New trackside hospitality & range of packages. We've been here since it started in 2004!

#### 10:00 Qatar Desert Safari (Fri)

1 total 1 Units  
2 adults

Friday we run our now-traditional Desert Safari. Many of the Qatari dunes will still remember us from last year! We board a fleet of modern desert camels (4x4 Landcruisers) where we are taken by professional drivers deep into the Qatari wastelands. The desert scenery, especially as we go along the coastlines, can be breathtaking -- if you can put your terror to one side! We split the group into 'cravens', 'adventurers' and 'berserkers' so you can go at your own pace! On the way we stop for a bash of our own on quad bikes or camels - depending on your speed... (Quads need to be pre-booked) A desert tea & kebab break with optional dune surfing mean you leave no experience untried. We depart directly from all our hotels in the morning, and we will get you back in time for our opening bash! Not to be missed - but go light on breakfast!

#### 10:00 Doha City Tour and Dhow Cruise (Sat)

1 total 1 Units  
2 adults

Take advantage of the day and see one of the fastest growing cities in the world! Our city tour features a drive through the famous Corniche, a visit to the traditional Dhow builders, Falconry market, camel track and fish market. The highlight of Doha and not to be missed are the old Souks, where you can buy everything, especially handcrafts and gold. Learn how to shop "Arab style" -- half the fun in buying the great value goods is in the haggle! We take a traditional Arabic lunch, sampling the shisha water pipe and of course the delicious coffee (if you like strong coffee!). After lunch we head down to the harbour for a 'fish eye' view of the stunning skyline, boarding a traditional Dhow for a bay cruise. We get back well in time for a brief rest before you catch the shuttle to the circuit. (We provide the Dhow cruise as an optional extra since some people prefer to get back to hotel earlier. Be sure to select this option on the booking!)

Why book a package? Remember, a MotoGP weekend is like 8 weekends in real life! A package with us is far far more than the simple sum of hotel + transport + party. Joining our tour is all about leaving hassles & stress behind and allowing you to focus on maximum enjoyment of the event. All packages can be tailored, we can take care of you from the moment you land. All of our customer care and attention is focused on our package customers, which means we are on hand if you have questions, problems, need advice, or just want to know the latest gossip from the paddock. Since we are experts on the sport, we have extensive contacts, which we share with you. With us you are 'in the path of opportunity'; for example one of our customers had her 30th birthday on the Istanbul race day; she got an impromptu tour of the paddock and Rossi signed her cap. Our weekends are always action-packed - our guest book is full of compliments on our social programmes (dune bashing in Qatar, wine tasting in Jerez, beer tours of Brno, private tour of Kuala Lumpur just some examples) We are completely flexible - if our proposed package doesn't meet your need, just ask us! While we can't guarantee you'll raise a pint with Nicky, we can promise you that you will have a fantastic experience leaving you hungry for more! We love our job and want to share our passion with you!

## 17:00 Qatar MotoGP VIP Village

For the ultimate experience of MotoGP world wide, there is no substitute for the official VIP Village. And of the VIP Villages, Losail is outstanding. The place is so laid back with no crowds that riders seem to just hang out waiting for the paddock tours to go by. Pit lane walks mean you really get to see the backstage action, and the service road tours in a private a/c BMW mean you view this unique track right up close! There is a private grandstand on the back curves for VIPs (with TV view) and we expect (unfortunately like last year, due to the rain) to bring only our VIPs to the Main Grandstand to view the awesome start of this eye-opening race! As the largest operator to the event, this year we expect to dominate the VIP with our own private area (The Pole Position Club) with added-value benefits such as private welcome packs, contests and a guest speaker or two. As a night race, we of course include dinner. Oh yes -- this is the ONLY place at the circuit where you can get a beer!

## 10:00: Qatar MotoGP Golf Experience (Mon)

Face it-- with the race ending Sunday at midnight, then we enjoy our post-race celebrations to 3am; you really didn't want to go anywhere on Monday! And to make it really easy to stay that day, we are organising the first (annual?) Qatar MotoGP golf tournament. The Doha Country club is stunning, we'll play the PGA championship course of 7355 yards with top facilities (and yes, you CAN get a beer there!). The 5-6 hours we will spend there will be a perfect opportunity for spouses and family to catch up on shopping or sun bathing! It's not too hot in April, so we don't need that 0700 tee-off you will be pleased to know... We get moving late morning, include a sumptuous lunch, and 18 holes of the desert classic, played in as many foursomes as we can manage - and certain to include some friends from the paddock. Final cost TBD, but if you are a golf fan, or even just a 19th hole person, this will be a great laugh!
